

Cosi® Ingredient Information for USA Restaurants
(Information is current as of January 2018, unless otherwise stated)

Nutrition Statement:

Caloric and nutritional information is valid for the United States and may vary slightly due to food assembly and portioning. Items referenced in this Ingredient Information Guide may be seasonal and/or not available at all Cosi® locations. Cosi, Inc. reserves the right to modify its nutritional statements and/or discontinue any item at any time.

We encourage you to check these ingredient statements regularly for updates. This information is derived from published resources or from information provided by our suppliers. Variation in serving sizes, preparation techniques, sources of supply, ingredient substitutions, order customization, product testing, and new recipe testing, as well as regional and seasonal differences, may affect the nutrition values for each product. We may also change our menu items, recipes, or product formulations, and our suppliers may change ingredients. You should expect some variation in the nutrient content of the products purchased in our restaurants.

Allergen Statement:

In ALL Cosi® restaurants, we prepare and serve food that may contain allergens, including eggs, milk and dairy, peanuts, seafood, shellfish, soy, tree nuts, and wheat. We take care to keep allergy-causing food separate from food not known to, or that may rarely cause, allergies but we cannot guarantee any of our food is “allergen-free”. If you KNOW or SUSPECT you have a specific food allergy or sensitivity or special dietary needs, please notify the Cosi® Manager BEFORE ORDERING. You may also ask the Cosi® Manager to show you the product case labels, if available, or you may contact using our TTU feedback system on our website for more information on specific products.

BEWARE! There is a risk of cross contamination or error during preparation, cooking, assembly, production and handling of our products, which may cause products to contain allergens that are not contained in the ingredient statements. Ingredients may change from time to time so please check these ingredient statements regularly.
